

**WHISPERGLIDE: OTHERS SAY IT BEST**

# Long Term Care / Rehabilitation Centers

“The *Whisper*GLIDE Swing is an **outstanding mechanism** for providing residents with cognitive, physical, and psychosocial opportunities for **therapeutic wellness.**”

– J. Carly R. Hellen, OTR/L

Former Nursing Home Services Director, Alzheimer's Center,  
Rush University Medical Center, Chicago, Illinois

“The swing has been a **huge benefit...** for all ages, ability levels and disability populations.”

– Kayla Anasen, Program Manager,

Eden Wood Center, Eden Prairie, Minnesota

“Our two swings have provided **undeniable benefits!** They quickly became a **central area for meeting and for activity** at our facility.”

– Activities Director, Life Care Center,  
Westminster, Colorado

“The swing is a **safe, fun intergenerational activity** for all of our residents. We are super pleased with the **ease of use** and the **wonderful memories** it makes.”

– Tina Koski, ADC, BS

Marquette County Medical Care Facility,  
Ishpeming, Michigan

“The swing **improves clinical outcomes** and the **quality of life** of residents.”

– Angel McGarrity-Davis, RNC, CDONA, NHA,  
NADONA's Master Certification Trainer, Clearwater, Florida

“The swing has become a part of our **rehab and restorative programs** helping residents to **regain strength and improve mobility.**”

– Mary Jane Venteicher, Administrator,  
Thomas Rest Haven, Coon Rapids, Iowa

“The swing has **unparalleled sensory stimulation...** Residents can receive **upper extremity movement** in a relaxed atmosphere.”

– Jennifer Szajacs Strohl, CTRS, Good Shepherd  
Homes, Allentown and Bethlehem, Pennsylvania

“The swing definitely **sets our facility apart** because family members see the possibilities for staying in touch with their loved ones.”

– Arlyce Severson, Director of Operations and Care,  
Wealshire of Bloomington, Bloomington, Minnesota
